

# Wigglybus at your service...

Welcome to the new Kennet Valley Wigglybus service; Line 43. This guide explains how to use the new flexible service. The bus will be able to collect you near to your home or from one of the allocated village bus stops shown in the section below the map.

The Line 43 that operates between Avebury and Marlborough is now completely flexible and also incorporates bookable journeys to or from Winterbourne Monkton and Berwick Bassett. By flexible we mean that every stop in the pink area shown on the map or shown in the timetable with a  should be booked. This excludes Barton Park. Where you see a time on the timetable, you do not need to book to travel from this point.

You can travel direct between Avebury Red Lion and Marlborough High Street without booking a seat, simply flag the bus down at each of these stops. At all other locations a booking before you travel will be required, particularly from rural villages in the Kennet Valley. However, if you have a return ticket, a ten journey ticket or a Wiltshire Day Rover and are travelling from either Avebury Red Lion or Marlborough High Street to one of the rural villages then you do not need to book in advance of travel as you have a pre-purchased ticket. All other journeys must be booked and where possible we advise people to book all their journeys as this helps the driver plan the route and maintain connections with other bus services.

Making the service Wiggle from the main road only when it is required to do so will help to use the bus efficiently and will save time along the route allowing the bus to maintain its connections with onward services at either end of the Flexi Zone area shown on the map inside this leaflet.

Your Wigglybus service now gets you closer to where you want to go. Not only will it offer regular access to Marlborough throughout the day but it will also provide connections at Avebury for buses to Swindon, Devizes and Trowbridge; connections at Marlborough to services to Savernake Hospital and Hungerford; direct Thursday market journeys to Devizes and shopper journeys to Devizes on Saturdays (Line 44). On Thursdays you can use your Wigglybus ticket to travel on Wiltshire County Council contracted buses 244 and 249.
