Saturday Nightbus

Bookings for the Saturday nightbus will be taken by the call centre until 18.00. The booking line will then be diverted to the nightbus driver phone.

The driver is then able to take bookings for the 19:25, 22:25 departures from Salisbury and the 21:30 departure from Mere. Customers can either phone ahead to book their journey or tell the driver that they would like to return at 22:25 when they board the nightbus on the way to Salisbury. If there are no bookings for the 22:25 departure from Salisbury or the 21:30 departure from Mere the bus will not operate.

☎ Phone to book your journey **01747 861222**

- The Mere nightbus runs on a completely flexible basis when ever the timetable says 'Flexi Zone'.
- The Flexi Zone covers the area shown above and will serve all the villages in the zone on a door to door basis.
- Flexi Zones have a set time period and this is often around 1 hour on the nightbus service. The Wigglybus will pick up as many people as possible within the time given to the Flexi Zone and can drop you off at neighbouring villages, Mere or, when timetabled on Wednesdays, at Gillingham, and on Saturdays, at Salisbury.
- The nightbus will serve all the areas of Mere town on request and the bus will also serve the Swimming Pool, town centre or the train station in Gillingham on Wednesdays.
- All journeys in the Flexi Zone should be booked at least 40 minutes before the Flexi Zone is scheduled to begin. Return journeys can either be booked in advance or with the driver when boarding the bus.
- All other villages showing a ☎ symbol should call 40 minutes before the bus starts its journey for a pick up from that location.

- When using the Wigglybus service customers are advised that the bus may operate up to ten minutes later than the booked time you are given by the booking centre and up to ten minutes later than the times shown on this leaflet.
- This delay may be caused by adverse traffic or weather conditions or by the bus being particularly busy on its timetabled journey.
- If you have any problems using the Wigglybus service please contact the Wigglybus manager using the contact options shown below.
- All Wigglybus services are wheelchair accessible from June 2005. In addition, each bus can carry up to two bicycles and well behaved dogs are welcome on the service.

Further Information

- If you would like to receive further information about any Wigglybus service, comment on the delivery of the service or be sent a copy of the Wigglybus Customer Charter then please contact us at any time by;
